THE COMMONWEALTH OF PUERTO RICO, *et al.*,

Debtors

**RESPONSE OF HEDWIG M. AULETTA (CLAIM #17116) TO
PUERTO RICO SALES TAX FINANCING CORPORATION'S SIXTH OMNIBUS
OBJECTION (NON-SUBSTANTIVE) TO DEFICIENT CLAIMS**

Hedwig M. Auletta, *pro se*, of 452 Huntington Avenue, Buffalo, New York 14214, (hereinafter “responding claimant”) has asserted a claim against the Puerto Rico Sales Tax Financing Corporation (hereinafter “COFINA”). In response to COFINA’s Sixth Omnibus Objections (Doc. # 4410), this responding claimant hereby states as follows:

1. In Exhibit A to COFINA’s Sixth Omnibus Objections, responding claimant’s claim, (*i.e.*, claim #17116) is listed as item #201. Within item #201, responding claimant’s name is incorrectly designated as “Hedwig, Auletta M.” In fact, responding claimant’s name should have been designated as “Auletta, Hedwig M.” (That is, “Auletta” is claimant’s surname.)
2. In Exhibit A, item #201, COFINA’s stated reason for objecting to responding claimant’s claim consists of the same vague, boilerplate language that appears throughout the Exhibit. That is, responding claimant’s claim allegedly “purports to assert liabilities associated

with municipal bond(s) and/or money loaned, but fails to provide any basis or supporting documentation for asserting a claim against COFINA, such that Debtors are unable to determine whether claimant has a valid claim against COFINA or any other Title III debtors.”

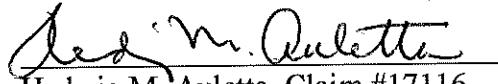

3. Responding claimant timely filed her claim as required and provided a copy of a statement prepared in the regular course of business from her broker regarding the bonds purchased by responding claimant.

4. Responding claimant received acknowledgment from the Court and/or Prime Clerk of the timely receipt of her claim.

5. COFINA's Objections to responding claimant's claim are non-specific concerning the alleged deficiency in responding claimant's proof of claim. Responding claimant presumes that the alleged deficiency may be that the broker's statement submitted with the claim did not contain a CUSIP number. Accordingly, responding creditor is attaching as Exhibit A further documentation indicating the CUSIP number associated with her bonds. If this is not the nature of the alleged deficiency, then it is submitted that COFINA be required to specify the nature of the alleged deficiency so that it can be addressed.

WHEREFORE, responding creditor requests that this Court deny the relief requested by the Debtors, and by COFINA in particular, as it pertains to this responding debtor.
